Technology Forum Protocol

- Please keep your audio on mute unless you are presenting. If calling in, **do NOT put your phone on hold**. Should you have to temporarily drop off please hang up and call back.
- Questions will be addressed via the “chat” on MsTeams after each speaker. Comments are also welcome. (Open chat on MsTeams on the task bar at the top of screen. Chat box appears on the right.)
- Presenters – share screen or slides will be advanced by NCMS / LMI
- This is an open forum. Approved briefs and Q&A that are available for public release will be posted on the JTEG website.
